

Bradley Palmer State Park

Welcome to DCR's Bradley Palmer State Forest

A former private estate boasting a remarkable Arts and Crafts style mansion, Bradley Palmer offers over 700 acres of park land primarily used for hiking, horseback riding and biking.

Bradley Palmer is part of the Massachusetts state park system and is managed by the Massachusetts Department of Conservation and Recreation (DCR), an agency of the Executive Office of Energy and Environmental Affairs.

DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds, and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources.
